 **adoption matters**
A proud history of children's futures

Every year, there are vulnerable children needing a stable, caring home through adoption. Some wait longer than others.

We want to help change that. Could you?

Registered Charity No. 512892

Adoption Matters is a children's charity specialising in adoption, that is all we do and have been doing so since **1947**.

Many children wait longer for a family just because they are over 4 years old, part of a sibling group, have additional needs or from Black, Asian or minority ethnic backgrounds. We want to help change that!

Adoption Matters has a successful track record in placing children from a range of backgrounds and ages from birth to 8 years. We offer dedicated ongoing support and training to all our families for as long they need it.

To adopt you can be single, married, divorced, in a same sex relationship, working or retired.

What matters most is your commitment to offer a child a loving, stable home.

Contact us now for a free information pack or for an informal chat.
